

Useful resources to share with Undocumented Patients and Families during COVID19

NATIONAL ORGANIZATIONS

FINANCIAL

[The Ferdinand Metz/American Culinary Federation \(ACF\) Relief Fund Assistance Request](#) - The Ferdinand Metz / American Culinary Federation (ACF) Relief Fund is established to provide timely financial assistance to chefs, cooks, culinarians and foodservice workers across America, experiencing hardship in the wake of the coronavirus disease (COVID-19) outbreak.

[Southern Smoke Emergency Relief Program](#) - Southern Smoke is a nonprofit 501c3 charitable foundation. Our Emergency Relief Program provides emergency funding to those employed by or own restaurants or bars or are employed by a restaurant or bar supplier that are faced unforeseen expenses that cannot or will not be covered by insurance

[Restaurant Workers' Community Foundation: COVID-19 RESOURCES AND INFORMATION](#) - RWCF is working to collect information and links to resources that will help restaurants and workers deal most effectively with the COVID-19 Emergency.

[Mission Asset Fund: Immigrant Families Fund](#) - The COVID-19 Rapid Response Fund is providing financial support to immigrant families who have been left out of the federal government's relief efforts. Immigrants may be eligible to receive a \$500 grant.

[The National Domestic Workers Alliance \(NDWA\)](#) - NDWA is a community of nannies, house cleaners, and care workers, connecting in person and online to make our work and lives better. Together, we're making our voices heard

[Catholic Charities](#) -The mission of Catholic Charities is to provide service to people in need, to advocate for justice in social structures, and to call the entire church and other people of good will to do the same.

[Hispanic Federation](#) - Hispanic Federation (HF) is the nation's premier Latino nonprofit membership organization. Founded in 1990, HF seeks to empower and advance the Hispanic community, support Hispanic families, and strengthen Latino institutions through work in the areas of education, health, immigration, civic engagement, economic empowerment, & the environment.

HEALTH

[Icla da Silva Foundation](#) - The Icla da Silva Foundation is the largest recruitment center for the Be The Match Registry in the United States. It recruits over 38,000 new potential bone marrow donors every year, with a strong focus on minority communities.

[2-1-1](#) - You can call 2-1-1 for health-related information and referral to local resources. They will help with access to food, housing, employment, health care, counseling and more. The call is also confidential for safety and privacy. All information given is also free and accessible to anybody looking for help.

[United We Dream: Undocu Friendly Care Centers](#) - United We Dream compiled a list of healthcare centers accessible to the undocumented community.

[T1 International: Insulin Affordability Resources](#) - A list of resources for people looking for affordable ways of finding insulin.

[NILC: Update on Access to Health Care for Immigrants and Their Families](#) - In this difficult time, we want to provide some reminders about access to health care for immigrants and their family members, including new funding that Congress recently made available for coronavirus testing.

[Health Resources and Services Administration](#) - Here you can find low-cost or free programs. It is undocumented friendly. Eligibility is based on income and if one has health insurance or not. This website offers several types of services from finding a health center in their database to specific condition/illness programs. It offers other links as well to specific programs such as for substance abuse and mental health.

[Kaiser Permanente Bridge Program and other Programs](#) - These programs allow for undocumented immigrants to apply for low cost medical services at Kaiser Permanente. You do not need a social security number to apply. Requirements include proof of residence in an area where the program is offered as well as proof of income. Current locations include, Colorado, California, Mid-Atlantic, Georgia, and the Northwest.

[National Association for Free and Charitable Clinics](#) - This website is a database of clinics that offer free or low-cost services. One's undocumented status does not bar them from seeking help from any of these clinics. The site also provides infographics of each state and advocacy articles. This is especially helpful for those looking for a clinic that will offer affordable care.

[Out of the Closet store/pharmacy](#) - This pharmacy offers free HIV testing without the need to fill out any paperwork. It's trustworthy and the test results are ready in 20 minutes. This is a vital resource for the undocumented community in need of HIV testing, it's free and does not require individuals to fill out paperwork regarding their immigration status or insurance. They have several locations across the country.

MENTAL HEALTH

[Latinx Therapy](#) - Has many mental health resources specifically designed for Latinx communities including resources to find therapists and recommendations for mental health apps, podcasts, books, and YouTube videos.

[Immigrants Rising's Virtual Wellness Gatherings](#) - "Led by Liliana Campos, Immigrants Rising's Mental Health Advocate, these virtual gatherings will convene experienced facilitators—psychologists, coaches, traditional healers—to guide undocumented individuals through interactive activities. Liliana will also share resources for participants to check out on their own throughout the week." Meetings will be every Sunday and Wednesday from 5pm – 6pm Pacific Time.

[Informed Immigrant's Mental Health Guide](#) - Informed Immigrant, a collective of immigrant-serving organizations, lawyers, technologists, and allies dedicated to working with the undocumented immigrant community, has created the guide: "Mental Health: Taking Care of Yourself and Loved Ones," which has resources for caring for loved ones, finding emotional support, recognizing anxiety, and cultivating joy.

[The Wellness Society: Coronavirus Anxiety Workbook](#)- A tool to help you build resilience during difficult times.

[The National Child Traumatic Stress Network: Parent/Caregiver Guide to Helping Families Cope with the Coronavirus Disease](#) - Provides information for parents and caregivers about infectious disease outbreaks in your community.

[National Alliance on Mental Illness: COVID-19 Resource and Information Guide](#) - The National Alliance on Mental Illness (NAMI) is the nation's largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness.

DOMESTIC VIOLENCE

[National Domestic Violence Hotline](#) - Our highly-trained advocates are available 24/7/365 to talk confidentially with anyone experiencing domestic violence, seeking resources or information, or questioning unhealthy aspects of their relationship.

EDUCATION

[ImmSchools: Supporting Undocumented Students & Families During the COVID-19 Pandemic](#) - Resource guide for teachers, schools staff, principals and others serving the immigrant community in schools.

[Immigrant Connections: English Learner Family Engagement During Coronavirus](#) - Resources for English Learner students.

FOOD

[Khalsa Aid Coronavirus Food Delivery for the sick or elderly](#) - If you cannot leave your home and are in need of basic groceries due to the recent Coronavirus Emergency please fill out the form below.

[Team Rubicon](#) - Team Rubicon is built to serve, and in response to the COVID-19 outbreak, we've launched the #NeighborsHelpingNeighbors initiative to meet the needs of our communities through safe individual acts of service. Team Rubicon and Patient Advocate Foundation have partnered to provide emergency food assistance to those who have cancer, Multiple Sclerosis or Rheumatoid Arthritis, and have been affected by COVID-19.

LEGAL AID

[Farmworker Justice](#) - Farmworker Justice is a nonprofit that works to empower seasonal and migrant farmworkers have more access to better living/working conditions, health and safety at their jobsite, address questions regarding immigration status, and advocate for justice. They work with farmworkers and organizations that advocate on behalf of farmworkers throughout the nation by advocating for change at the

national level, representing workers and organizations in judicial processes, providing resources to organizations and workers, and through their public media campaigns.

[Protecting Immigrant Families: Immigrant Eligibility for Public Programs](#) - This table provides a general overview of some of the federal public programs available to support individuals and families during the COVID-19 crisis under existing law, as well as the recently passed Families First Coronavirus Response Act and the Coronavirus Aid, Relief, and Economic Security (CARES) Act.

[National Day Laborer Organizing Network \(NDLON\)](#) -" NDLON is a network composed of 36 member organizations throughout the U.S. that advocate for the rights of immigrant day laborers to organize, protect their rights, and contribute to society regardless of their immigration status. NDLON has established a core of 11 organizations that lead occupational health and safety trainings across the country. They also work closely with regulatory agencies such as OSHA (Occupational Safety and Health Administration) and work collaboratively with other organizations to encourage changes in policies.

[National Institute of Occupational Safety & Health \(NIOSH\)](#) - Report by NIOSH on "Overlapping Vulnerabilities" for immigrant workers in the field of construction, in terms of occupational safety and health. Immigrant workers in construction face several unique challenges that put their lives in danger, in an already dangerous occupation. In particular for Latino immigrant workers, their status as day laborers, or 'jornaleros' means they are more vulnerable to abuses such as discrimination, in relation to their immigration status, lack of personal protective equipment being provided, and wage theft by their employers.

[Informed Immigrant](#) - InformedImmigrant.com is dedicated to increasing access to resources and knowledge for the undocumented immigrant community across the U.S. They offer a list of COVID-19 resources (national and by state)

[National Immigration Legal Services Directory](#) - The Immigration Advocates Network (IAN), a program of [Pro Bono Net](#), is dedicated to expanding access to immigration legal resources and information through collaboration and technology.

[My Undocumented Life](#) - Our mission at My Undocumented Life is to provide up-to-date information and resources to undocumented students. We post scholarship opportunities that are open to undocumented students, strategies for navigating the educational system, information on how to apply for DACA, news on immigration policies, and much more. Most importantly, we want to provide a sense of community to our diverse group of readers.

Resources by State:

CALIFORNIA

[Bay Area Women Against Rape \(BAWAR\)](#) - This organization helps women who have been sexually abused or assaulted. It helps you with counseling sessions and it also gives support to families with legal help if the victim was undocumented. It is imperative for women, regardless of their immigration status, to know that there is a safe space in which they can receive support and help after they encounter an abusive situation.

[San Diego Immigrant Rights Consortium](#) - “The fund will provide grants of up to \$500 to immigrants in San Diego who have lost all or part of their income due to the coronavirus pandemic.”

[Borrego Health Clinic – Southern California](#) - This Clinic offers an array of health services at a low cost. No insurance is required and proof of residency is only needed in the form of a bill with one’s address on it. They also provide ways to get medication at a lower cost and have social workers available to help with other needs requiring paperwork. Mobile Units are also available.

[Health Coverage and Care for Undocumented Immigrants](#) - By the Public Policy Institute of California. This report highlights additional research on undocumented immigrants’ access (or lack thereof) to health care services.

[Help for immigrants](#) - If you’re an immigrant living in California, here is what you need to know to protect yourself, your family, and your community from coronavirus. Services and public benefits are available to you, some regardless of immigration status. And [special assistance for immigrant Californians](#) who don’t qualify for other programs can be applied for starting May 18.

[La Clinica](#) - La Clinica is a healthcare provider. They recently began accepting the Affordable Care Act, and find ways to help people that are undocumented and don’t qualify for health care. They develop plans of payment depending on an individual’s income and accessibility.

[Tiburcio Vasquez Health Center](#) - This center provides health services that can include: dental, mental and physical health. These services are available for various age groups. The nurses speak Spanish, Tagalog and other languages. They also can help you set up payment options.

[UCSF Mental Health Guide for Navigating COVID-19](#) - The University of California Department of Psychiatry has compiled resources to support your mental health during the COVID-19 outbreak. Resources include information about maintaining good sleep, reducing stress, how to talk to children about COVID-19, and tips for older adults living at home.

[California Immigrant Youth Justice Alliance \(CIYJA\)](#) - CIYJA is a statewide immigrant youth-led alliance that focuses on placing immigrant youth in advocacy and policy delegations in order to ensure pro-immigrant policies go beyond legalization, and shed light on how the criminalization of immigrants varies based on identity.

[805 UndocuFund](#) - “The 805 UndocuFund is a collective effort [in California] among Ventura and Santa Barbara County-based grassroots organizations to assist local undocumented immigrant individuals and families who are excluded from federally funded safety net programs; that have been economically impacted by the loss of their homes, wages, and/or employment due to disasters in our community like wildfires, mudslides, and the coronavirus.”

[Aliento](#) - “Aliento, a nonprofit that advocates for undocumented students, has raised \$25,000 to provide \$500 in assistance to mixed-status families. Thank you, AZ community for supporting our migrant communities.”

[Association of Raza Educators](#) - ARE “has established a relief fund to provide financial support of up to \$1500 to families in San Diego County who have lost all or part of their income due to the coronavirus pandemic, and have been left out of government relief efforts.”

[Oakland Undocumented Relief Fund](#) - “Centro Legal de la Raza, along with community partners, created the Oakland Undocumented Relief Fund to provide critical support to immigrant Oakland workers who have lost their jobs and income as a result of the COVID-19 pandemic and the aggressive public health measures necessary to combat the spread of this disease.”

NEW YORK

[Make the Road NY \(Se Hace Camino NY\)](#) - MRNY seeks to “build the power of Latino and working-class communities to achieve dignity and justice through organizing, policy innovation, transformative education, and survival services.” It is a non-profit organization composed of over 25,000 members from over 25 different countries. They have 4 different offices throughout the New York City metropolitan area and provide information about health resources available to the immigrant community in New York. Their work surrounding health includes leading workplace trainings on safety and health, increase access to translation services in the health care industry, help people access health services and public benefits, advocate for expansion of health accessibility to all New Yorkers, and assist enrollment in ACA health insurance.

[New York Immigration Coalition](#) - NYC-based non-profit that seeks to “improve access to health care for low-income immigrants. We advocate for reform on systemic issues such as insurance eligibility, communication barriers, and flawed billing and enrollment practices.” They provide resources that help immigrants navigate access to health care services regardless of language spoken, immigration status, or income level.

[NYC Office of Citywide Health Insurance Access](#) - Provides information of health resources that are available to immigrants, regardless of immigration status.

[NYSYLC Emergency Funds for Undocumented Youth and Families](#) - “The NYSYLC is the first undocumented, youth-led organization in New York. [NYSYLC is] working to raise funds to support undocumented youth and their families in New York City during the time of COVID-19.”

TEXAS

[Bethesda Clinic in Tyler](#) - This clinic offers low cost health treatment without the need of insurance or legal status. It offers general family medicine and can also refer you to local etx doctors that will help you with treatment. This is a good resource for the undocumented communities because it gives low cost health services and can refer you to doctors in case of needed a specialist.

[Catholic Charities- Dallas](#) - Catholic charities offers an array of services to the undocumented/DACA community. This is a great resource for the community because they provide legal services at low cost. They are trustworthy and all of their legal staff have been certified by the state.

[Dallas County Health & Human Services](#) - This is a community clinic in Dallas, Texas with lab services that are affordable and do not require legal status. They offer STD testing, TB testing, Communicable diseases testing and also immunization shots. The nurses speak Spanish and can help with the paperwork.

[Genesis Womens Shelter](#)- This shelter is for women who have been abused. They provide shelter, food, and counseling for women of all ages. The counseling is free and is also available in Spanish. They provide counseling for children too (up to 17 years of age).

[NET Health ETX](#) - This health outreach center provides free breast/cervical cancer screening, TB shot, diabetes testing, and nutrition workshops (also in Spanish). They can also refer you to local doctors in case of a health problem. They don't require you to have health insurance or legal status to obtain any of their free screenings/testing.

[Parkland Hospital](#) - This hospital provides medical care for all types of treatment regardless of legal status. (If you live in Dallas County). They offer the "Parkland Plan" that enables you to get treatment and your medications at a low-cost. They also offer surgeries and mental health support. They always have translators available. It is very resourceful to undocumented immigrants because the hospital has many clinics in Dallas that serve the community and will help us regardless of legal status.

[St. Paul Children's Foundation/Clinics](#) - This foundation has several clinics that provide medical and dental services for undocumented children. It is very low cost and also doubles as a food/clothes pantry. They will give you free food and clothes without requiring legal status.

[Trinity Mother Frances Hospital](#) - This hospital now finances surgery for undocumented individuals without the need of insurances. They do not offer financing for treatment but will offer to finance your surgery if you need one.

[UT Health NorthEast Hospital and Clinics](#) - This hospital and its clinics offer free prostate cancer screening, low cost diagnostic testing, and provide free asthma/allergy testing for children, all regardless of status. It is important to the undocumented community bc it is a trustworthy hospital that offers finance, low cost and free testing without the need for insurance or legal status.

MASSACHUSETTS

[MassUndocuFund](#) - "MassUndocuFund is a partnership among Massachusetts-based grassroots immigrant organizations and workers centers that have a solid reputation, strong track record, and are known to and trusted by many undocumented residents."

WASHINGTON

[Relief Fund in Washington State](#) - "To support our community, the Washington Dream Coalition, in partnership with Scholarship Junkies, Northwest Immigrant Rights Project, and Washington Immigrant Solidarity Network are fundraising through Scholarship Junkie's 501(c)(3) GoFundMe and other avenues to provide emergency and preventative financial relief to undocumented individuals that are at financial risk."
